Wow, with over 52 years of service and support to Montana, Wyoming and Idaho culvert and construction products customers, including surrounding states, it would be very easy to bore you with a long list of great customers and projects that we have participated in. This is not our intent; therefore, we provide the following list of past and current customers for you to note, reference and contact if required. We are very proud of our relationships and sincerely value the trust that our business together represents:

Q Who is Roscoe Culvert Leadership?

Too Small? Click on images to enlarge.

Roscoe Culvert is led by our President – Bill Lundberg, CFO – Jim Mourich and Business Unit V.P. – Sean Waters. Please contact any of these professionals at Roscoe Culvert by E-mailing them at wlundberg@roscoesteel.com, jmourich@roscoesteel.com, or swaters@roscoesteel.com for additional information.

Our Customer says...

“Roscoe comes through for MRL from bridge material to culverts to a variety of other specialized material that we need in a railroad structures department. Even in an emergency situation where we need material immediately we can count on Roscoe.”

Did you know steel is the world's most recycled material?
