Welcome to Roscoe Steel & Culvert - Employment Opportunities

Roscoe Steel & Culvert, and its three Business Units comprised of Roscoe Culvert, Roscoe Steel, and Roscoe Bridge, is in constant demand for a broad range of business professionals in all functional areas including Shop Operations, Material Control, Sales & Marketing, Administration, IT, and everything adjoining and in-between.

To review listed openings throughout the company, click on the following ► [Current Open Job Postings](#)

However, if there are no Job Postings listed in the links, don't be disappointed or discouraged, we may be "in-between" staffing updates. Feel free to send a request for employment opportunities to HR@roscoesteel.com, especially if you are interested and available for immediate challenges, and want to join a team that appreciates 1) individual skill development, 2) team-oriented goal achievement, and 3) continuous improvement in results!

Roscoe Steel & Culvert has plants located in three fantastic communities, with the amenities of mid-size college towns and great outdoor everything, from hunting, fishing, hiking, skiing, mountain biking, and on-and-on! Click on the following pictures to learn about Billings, Casper and Missoula.
